Shopping list: 36' × 17' house, phase 1: the house

For Ace Hardware, Weno, Chuuk · Oct 19, 2026 · 78 items

Item # is the Ace Hardware item number; Store # is the number on the shop's quote (Estimate #785745/4, 14 Oct 2026). "Unknown" means no matching item was found on acehardware.com. Under each price is where it comes from: the shop's quote, its price sign, or acehardware.com ("Ace web", U.S. prices; "closest" when the Ace item is only similar). Items with no price show —. Tap an item name to open its Ace page.
